

Take Action on High Heating and Power Bills

Take Action on Climate Change

Collect up to \$10,000 in
government rebates for
home renovations

sign up for a

Home Energy Evaluation

Here's how it works:

- 1** Sign up for a Home Energy Evaluation by contacting the Arctic Energy Alliance.
- 2** The Home Energy Evaluation takes about two hours and costs \$150 plus \$7.50 GST.
- 3** Within two weeks, your Certified Energy Advisor provides you with a report suggesting home improvements.
- 4** You make improvements to your home.
- 5** Arrange for a follow-up evaluation prior to March 31, 2011 with Arctic Energy Alliance. \$150 plus \$7.50 GST
- 6** Receive rebates of up to \$10,000 from Governments of NWT and Canada!
